

## BITRECS Resolution

**Final resolution** of the **2nd call of BITRECS** “Biomedicine international training research programme for excellent clinician-scientists” co-funded by the Marie Skłodowska Curie Actions of the European Commission - H2020 Programme (GA n°754550).

### *Selection Evaluation Committee*

The members of the selection evaluation committee of BITRECS (SEC) responsible for evaluating the 13 pre-selected candidates are shown as follows:

- Dr. Elías Campo: IDIBAPS Director and Chair of the SEC
- Dr. Marga Nadal: Director of Strategy of IDIBAPS
- Dr. Joan Carles García-Pagan: Hospital Clínic of Barcelona (HCB) evaluator
- Dr. Dolors Colomer: IDIBAPS evaluator
- Dr. Joan Albanell: external evaluator
- Dr. Josep Maria Borràs: external evaluator

### *Final results*

A total of 13 candidates, resulting from the remote evaluation phase, were invited to the face-to-face interview and evaluated by the SEC. The selected candidates resulting from this last evaluation phase and who are proposed to be granted a BITRECS fellowship are the following 8 candidates:

Candidate
53217683F
XDA040712
YA4551101
41743266Z
YA7881389
24434776J
